FINANCE AND TRADE.

ON ACCOUNT of Thursday night's arrivals there was more autmation in general trade, but no important change of values was realized, either in store or at the river of depot. For cotton the demand was strong and prices were favorable to sollers, most of whom refused to part with middling under Be. At the hanks there was very life accommondation for borrowers, resources of all the traditions being in demand for the remained at cotton. Eastern exchange was being discolant for commercial, with New tricents commercial; discoond. It New York gold declined to 10%, and consequently it was very life, there being no local demand. Stocks, scrips, etc., were inactive with prices nominal.

Salkes of Cotton yesterday were lob bases, which quantity, though it abood below which quantity, though it abood below which quantity, though it abood below of the market, failed to meet the wants of bowers. As a general thing middling wish of bowers. As a general thing middling wish
